

PROSTITUTE BACKGROUND

You are quite gifted in seduction, and have been able to make a successful career for yourself. No matter the town or city, you instinctively know what street corners to effectively market yourself. You know how to maintain a level of seductive class, no matter whether you are catering to the occasional noble. You are able to maintain a clear head while your customers are blinded with lust.

SKILL PROFICIENCIES:

Insight, Persuasion

TOOL PROFICIENCIES:

Disguise kit, one type of gaming set

EQUIPMENT:

A seductive set of fine clothes, 15 feet of hempen rope, a bag of contraception, and a pouch containing 15 gp.

PREFERRED CLIENTS

Money is well and good, but you tend to gravitate to a certain type of patron. This could be because that you find them easy to entice, or that you find them the most pleasurable to do business with.

FEATURE: PILLOWTALK

You are especially good at getting your customers to spill all of their secrets. If you successfully sell your services to a patron, you are able to make the most of the transaction. While you are conducting business with your customer, you may ask up to three questions. The customer must answer these questions honestly. These questions are simply seen as sexual banter by your lusting customer, and do not arouse suspicion for the three questions.

SUGGESTED CHARACTERISTICS

Anyone can be a prostitute, but the best gain their renown for their charm with all types of people, and skilled in the bedroom. They're often quite friendly towards all types of people, recognizing the value of friends, beauty, and word-of-mouth advertising.
